

Amendments to allotment rules.

### **1. Bonfires / fires**

These are permitted for burning garden waste only, but a dustbin type or oil drum incinerator must be used. Wind speed and direction must be taken into consideration.

During dry spells please keep fires away from hedges and grass verges and ensure a hose pipe is near should the need to extinguish the fire arise.

Please take into consideration other plot holders and ask neighbours consent before or during fires.

### **2. Vehicles on the allotments**

Vehicles are permitted on the allotments for the purpose of loading and unloading only.

Under no circumstances must vehicles be driven onto the adjacent playing field unless permission has been obtained from a parish councillor or a trustee.

### **3. Removal of garden and general waste**

All waste must be taken away and not dumped in the lane opposite Marham Park or on the on the adjacent playing field. Doing so will be viewed as fly tipping and could result in forfeiture of your plot.

### **4. Barbecues**

Barbecues are not permitted on the allotment site.

### **5. Hedge cutting**

Hedges that border the allotment site are the responsibility of the parish council and must not be cut back unless permission is given by a trustee or parish councillor.
